DEPARTMENT OF ENGLISH

Perspective Plan for the next Five Years (2015-16 to 2019-20)

As part of its perspective plan, the Department of English is committed to pursuing, prioritizing, and focusing resources in ways that achieve the following agreed-upon goals and their entailments. The order of these goals and entailments does not mean anything about their priority. Many of them in fact overlap or work in tandem. Because this perspective plan is a working document, we as a department will revisit it periodically to assess whether any changes are needed.

- 1) To communicate effectively our mission, values, and accomplishments to ourselves, the university, and the wider public
- 2) To sustain our core mission in research, teaching, and service
- 3) To create a departmental culture committed to building intellectual community, encouraging collaboration, nurturing professional growth
- 4) To increase transparency, accountability, and workload equity
- 5) To continue our efforts to reinvent our graduate programs in light of ongoing, fundamental changes to the profession and to higher education
- 6) To inculcate learner centric and effective teaching learning process
- 7) To ensure transparency and credibility in the process of students' evaluation
- 8) To develop a comprehensive system of student mentoring and student support
- 9) To take care of horizontal and vertical up gradation of students considering the limits of time and expectations
- 10) To create a research culture in faculty and students
- 11) To launch value added and skills development programmes to improve the employability of students
- 12) To motivate students for self-employment and to enable them to emerge as entrepreneurs
- 13) To empower faculty about emerging trend in their profession for academic advancement
